

Bunting Banner

Kids will cut papers into various shapes and string them together to make their very own banners. Each flag on the banner will be customized with markers and fun papers. Kids will decorate the banners with drawings and/or spell out words like their "happy birthday", "welcome", or their names.

Sand and glue art

Sand Art

Kids will draw with glue on paper, then pour sand on top to bring texture and life to their doodles.

Make your own mask:

Architectural Carnival

DIY OWL MASK

Kids will use cut paper, pipe cleaners, paint, and markers to decorate paper masks to become any creature they can imagine.
